

# 2023 Fees

All technology use, including iPads, is included in the fees below. We are pleased to offer this very competitive fee structure to families.

## Fortnightly payment plan

Many Riverside families who are unable to pay up-front are able to use our easy, fortnightly payment plan, either through BPay, Centrepay, or Internet Banking.

FEEES FOR MULTIPLE STUDENTS	TOTAL fees per term*	Payment per week*	Payment per fortnight*
1 child	\$922.50	\$92.25	\$184.50
2 children	\$1559.25	\$155.93	\$311.86
3 children	\$2090.20	\$209.02	\$418.04
4 children	\$2197.70	\$219.77	\$439.54

\* based on 40 weeks' payment per year before any discounts

\* These above calculations are based on 10 weeks per term to ensure fees are paid in full by the end of term. If these amounts are not manageable, please meet with the office to request that these fees amounts be reduced and paid over a longer period of time. Please note, that to have these amounts paid over a longer period the only payment options are Centrepay and Manual Direct Debit.

\* Applications for fee assistance are available upon request. Fee assistance is provided only upon application and approval requires full, written disclosure of gross annual family income prior to the start of each term. Approval by the Financial Assistance Committee is required. Please request an application.

Please Note:

1. A 5% tuition fee "prompt payment discount" applies to fees if paid in full by the first day of each term.
2. A 7½% tuition fee "prompt payment discount" applies to fees if paid in full by the first day of the school year.
3. Four weeks of school fees must be paid in advance upon acceptance into the school.
4. All fees are payable in full of each term by the due date unless you are on an agreed fortnightly payment plan. Failure to pay may put your child's enrolment at risk.
